Summer Term Newsletter No 7 2022

Dear Parents and Carers,

Thank you so much for the huge support we received yesterday afternoon. I think it was evident on the faces of every child visited just how much it meant to them to have their parents and families look through their books and appreciate all their hard work. Thank you for all of your kind words and I just want you to know that every comment passed on to myself and the team was extremely valuable and has given us the opportunity to reflect on the things, which make Stawley School truly special.

The children themselves were clearly delighted as each visitor arrived and it was quite awe inspiring to see their enthusiasm for their learning and their willingness to show off their hard work.

This event has been a long time in coming and I want you to know it will not be an isolated event. Even as we move back into in person parents meetings, it is clearly evident that this type of event at the end of a long year of work will still have its place in our calendar.

I would also like to take this opportunity to thank all those parents who pledged cakes and various baked goods for our Sport's Day. Your support is very much needed and appreciated.

Thank you so much for this.

Many thanks
Jacqui Collier
