

Ratio and proportion

Ratio and proportion (page 32)

- 1 30
- 2 250ml

Ratio and proportion

Ratio and proportion (page 29)

- 1 12
- 2 400
- 3 Award **2 marks** for correct answer 72.
Award **1 mark** for the scaling by 12 completed correctly, but with a mis-measurement and an answer (e.g. mis-measured as 5 cm and answer given as 60 km).
- 4 $\frac{17}{20}$
- 5 Red Team 100, Blue Team 60
Award **2 marks** for both answers correct.
Award **1 mark** for workings that clearly show $160 \div 8 = 20$ as part of the calculation **and** one team's score is correct.
