

Dear Jaqui Collier,

Recent Ofsted Inspection

Following your inspection by Ofsted on 17 December 2024. I am writing on behalf of the local authority to thank you and your staff for the hard work that was put into this process, both through the days of the inspection and in the secure foundations you have established.

We hope that you, your Governing Body, and staff are encouraged by the report and can celebrate the validation it brings. It is a testament to the whole school team that this outcome has been achieved. Your success is not only a source of pride for your school community but also for the wider community that you serve. It is clear that Stawley Primary School is making a significant impact on the lives of its students, preparing them well for their future endeavours.

I would like to offer the continued support of the local authority to ensure that Stawley Primary School can build on this success. We are committed to working closely with you to provide any assistance you may need in maintaining and further enhancing the quality of education at your school. If you would like to talk about available support or next steps, then please don't hesitate to get in touch with your Relationship Manager.

Please convey my congratulations to all members of your team and your students. I look forward to seeing Stawley Primary School continue to thrive and achieve even greater success in the future.

Yours sincerely,

Heather Good
